NASDAQ: SWHC

**INTRODUCING THE T/C® COMPASS™ - BUILDING ON A HERITAGE OF ACCURATE, AFFORDABLE FIREARMS - FROM A TRUSTED AMERICAN BRAND.**

**FEATURES INCLUDE:**

- The adjustable trigger offers a crisp release for precision shooting.
- Ergonomic, lightweight stock combines a classic look with modern contours and textured grip panels.
- Soft rubber recoil pad gives maximum felt recoil reduction.
- Three-lug 60 degree lift bolt provides good scope clearance and a smooth, easy cycling action.
- Aluminum pillar bedding with a bedding system that positively locates the receiver and free-floats the barrel for outstanding accuracy.
- Button-rifled barrel, with 5R rifling - that provides outstanding accuracy and easy cleaning.
- Features an easy-to-use 3-position safety (with bolt lock) that provides positive tactile feel, clear visibility and easy access.
- Detachable (5-round std cal., 4 round mag cal.) rotary magazine fits flush with the stock and provides smooth feeding.
- Drilled and tapped receiver for scope mounting (bases included), also comes with sling swivel studs.

5R Rifling

Scope & rings sold separately.  
Comes with Weaver-style bases.

60° Bolt Lift for scope clearance

3 position safety with bolt lock

Effective recoil pad

Free-floated barrel
